TASTING NOTES

Pale in color, with a shimmer of gold, this wine offers the scent of honeysuckle in the nose. Although a touch of grapefruity citrus can be found. Riesling is a variety which is highly "terroir-expressive", meaning that the character of Vinca Theresia Rhein Riesling is greatly influenced by the place of origin. Because of cool climate (such as in Crisana wine region), Theresia exhibits apple and tree fruit notes with noticeable levels of acidity, which makes this wine a gastronomic one, easy to pair with food. It is flowery, light, crisp, racy, refreshing. This wine demands time in bottle.

Food pairing:

Spicy, Asian and Thai dishes, sushi, fish, smoked or cured meat, Swiss fondue, traditional local food from Romania.
